

Dear Jerry:

The purpose of this letter is to forgive you of any indebtedness you consider you have to me.

I am aware that it was very difficult to make payments to me, and I am grateful for the payments you did make because they helped me as I hope to help you.

You and Sharon and all your family have always made me, and everyone, welcome in your home.

(2) ital I was going to bed,
but now I'm going to 7262
work.

Hallelujah!

Gerry
